8 publish in the Federal Register and place on
9 its website a plan for the periodic review of
10 rules issued by the agency which the head of
11 the agency determines have a significant eco-

13 small entities. Such determination shall be
14 made without regard to whether the agency
15 performed an analysis under section 604. The
16 purpose of the review shall be to determine
17 whether such rules should be continued with-
18 out change, or should be amended or re-

25 at any time by publishing the revision in the

1 **Federal Register and subsequently placing**

3 **“(b) The plan shall provide for the review**

9 **after the date of enactment of the Regulatory**
10 **Flexibility Improvements Act of 2011 within**
11 **10 years after the publication of the final rule**
12 **in the Federal Register. If the head of the**
13 **agency determines that completion of the re-**
14 **view of existing rules is not feasible by the es-**
15 **tablished date, the head of the agency shall so**
16 **certify in a statement published in the Fed-**
17 **eral Register and may extend the review for**

24 **details how an agency will conduct outreach**
25 **to and meaningfully include small businesses**

16 clude the identification of any rule with re-
17 spect to which the head of the agency made
18 a determination described in paragraph (5) or
19 (6) of subsection (e) and a detailed expla-
20 nation of the reasons for such determination.

21 “(e) In reviewing a rule pursuant to sub-
22 sections (a) through (d), the agency shall
23 amend or rescind the rule to minimize any ad-
24 verse significant economic impact on a sub-
25 stantial number of small entities or dispropor-

1 tionate economic impact on a specific class of
2 small entities, or maximize any beneficial sig-
3 nificant economic impact of the rule on a sub-
4 stantial number of small entities to the great-
5 est extent possible, consistent with the stated
6 objectives of applicable statutes. In amending
7 or rescinding the rule, the agency shall con-

23 “(6) The contribution of the rule to
24 the cumulative economic impact of all
25 Federal rules on the class of small enti-

1 ties affected by the rule, unless the head
2 of the agency determines that such cal-
3 culations cannot be made and reports
4 that determination in the annual report
5 required under subsection (d).

6 “(7) The length of time since the rule
7 has been evaluated or the degree to
8 which technology, economic conditions,
9 or other factors have changed in the area
10 affected by the rule.

11 “(f) The agency shall publish in the Fed-
12 eral Register and on its website a list of rules
13 to be reviewed pursuant to such plan. Such
14 publication shall include a brief description
15 of the rule, the reason why the agency deter-
16 mined that it has a significant economic im-
17 pact on a substantial number of small entities
18 (without regard to whether it had prepared a
19 final regulatory flexibility analysis for the
20 rule), and request comments from the public,
21 the Chief Counsel for Advocacy of the Small
22 Business Administration, and the Regulatory
23 Enforcement Ombudsman concerning the en-
